

Alamo Heights School Foundation Hall of Fame Distinguished Alumni, Lifetime Educator Award, and Distinguished Service Award

The Alamo Heights School Foundation Hall of Fame will be comprised of former students, faculty, administrators, and volunteers who have made significant achievements in many aspects of their lives. They have made selfless contributions of time, talent, and treasure to their neighbors and community. If an AHISD teacher or administrator, they have made a positive and measurable impact on students and campus life far beyond their assigned duties. They are accomplished at the highest levels of their professions. Hall of Fame members have represented and fostered the ideals of giving and dedication to community, family, learning, and philanthropy. Awards may be given posthumously.

These traits are the benchmarks by which the selection committee will evaluate each candidate in choosing the Hall of Fame honorees.

The Awards
